DES MOINES -- Today, Des Moines City Council Candidate Brandi Webber announces that she will officially file her paperwork and signatures to be on the November ballot this Thursday, September 16th.

The campaign reports that they received well over three times the amount of signatures necessary to file for candidacy and canvassed every neighborhood in Ward 3 to gather them.

*“When we launched this campaign, I made a promise to represent all the voices of Ward 3 -- not just the wealthy or politically connected. I’m thrilled that our message has led to an outpouring of support from the Des Moines community and this is just the start,”* said Brandi Webber. *“We’re on the ballot, we’re building a movement dedicated to lasting municipal change and together, with our friends and neighbors, it’s on to victory in November.”*

The campaign will host an Official Ballot Campaign Kickoff Celebration immediately following the filing.

Here is the full itinerary:
