DES MOINES -- Brandi Webber for Des Moines City Council will host its first in-person campaign event on Sunday, August 8th in support of the North Des Moines Mutual Aid Community Fridge.

“Des Moines is not removed from the issues of food insecurity and food deserts-- especially healthy affordable produce. Mutual aid, community fridges and urban farms play a vital role in helping folks become food secure,” said Brandi Webber. “We’re excited to host our first in-person campaign event to bring attention to the needs of our neighbors. When we launched this campaign we made a promise to put people and community first and we’re sticking to that promise.”

The event will be hosted in Evelyn K. Davis Park from 12:00pm to 3:00pm.
